Attached please find information with regards to an application for a membership in the Law Society of the Northwest Territories:

5. Application and Lawyer's Undertaking regarding trust funds (Form 2.3);

These forms are quite straight-forward with the following explanatory notes to meet the requirements of the *Legal Profession Act* and the Rules of our Law Society in respect of applications made by individuals who have been duly called to the Bar of another Province or Territory in Canada:

- a) As per Law Society policy¹, persons giving the letters of good character should state:
 - which Law Society in Canada they belong to and that they are in good standing in that Society;
 - the capacity in which the referee knows the applicant;
 - how long the referee has known the Applicant;
 - why the referee is of the view that the Applicant is of good character; and
 - a telephone number and email address where the referee can be contacted, if necessary.

A letter of good character should not be from one of your partners, associates, co-workers or supervisors and you are advised that the Admissions Committee may elect to confirm the information provided by contacting the referee.

- b) The Certificate(s) of Good Standing should be in the form prescribed by each Law Society of which you are a member and must be dated not earlier than forty five days prior to the presentation of your application;
- c) EITHER the Accountants Certificate OR the Lawyer's Undertaking as to trust funds is required.
- d) The Insurance Exemption Certificate cannot be altered in any way. If you are unable to make either of the declarations without alteration, you may be required to enroll in our Society's errors and omissions insurance program. If that is the case, a current quotation of the premium cost will be provided.

If the Admissions Committee is satisfied, they will recommend to the Executive that your application be accepted.

If your application for admission is approved by the Executive, you will be entitled to become a member of our Law Society. Please be aware, however, that before you can engage in the practise of law in the Northwest Territories you will be required to take an Oath of Office in the Northwest Territories before a Justice of the Supreme Court.

Applicants should be aware that the Rules of the Law Society of the NWT provide that:

55. (1) In determining whether an applicant under section 39, 40, 48 or 49 is of good character, the Executive is not bound by letters of character provided by the applicant but may make such inquiries and hold such hearings as it deems necessary or desirable under the circumstances.

Persons providing letters of character should be prepared to be contacted with respect to their letter, if the need arises. Further, in the event the Executive receives information adverse to your character, you will be informed of the information and given a reasonable opportunity to respond.

In the event your application is refused, section 19 of the *Legal Profession Act* provides that:

“Where the Society refuses or neglects to admit a person as a member, that person may, on 10 days written notice to the Society, apply to the Supreme Court and, on due cause being shown, the Supreme Court may

- (a) make an order directing the Society to admit the person or
- (b) make such other order as is warranted.”
